How To Stop Facebook From Auto Refreshing in Chrome

https://www.youtube.com/watch?v=kh_QhSIilIg

Are you tired of Facebook auto-refreshing in your Chrome browser and disrupting your browsing experience? Well, worry no more! In this comprehensive guide, we'll show you step-by-step how to stop Facebook from auto-refreshing, ensuring a seamless and uninterrupted scrolling session.

🔍 Understanding the Annoyance: Have you ever been engrossed in an interesting post, only to have it disappear because Facebook decided to refresh on its own? It can be frustrating, but fear not! I've got the solution to end this pesky auto-refresh issue. This Chrome Extension works perfect for me, I hope it will work the same for you.

🛠 Step-by-Step Guide to Disable Auto-Refreshing: Following the simple steps in my video and you can take control of your Facebook browsing experience, allowing you to stay on the content you love without interruptions.

📈 Unlock Seamless Browsing Today: Say goodbye to unwanted auto-refreshes! Follow our guide and take charge of your Facebook browsing experience. Don't let technology dictate when you should refresh – you're in control! Google

Chrome Extensions **Always active Window - Always Visible**
